

Table with 6 columns of VIN numbers ranging from 1GCDT13E178247593 to 1GCDT13E178241406. Each row contains one VIN from each column.

A dense grid of VINs, organized into 10 columns and approximately 100 rows. Each entry consists of a 17-character alphanumeric string, representing a vehicle's VIN. The characters are black and the background is white, with very little spacing between the columns. The VINs follow a sequential pattern, starting with '1GCDT13E878199719' in the top-left and ending with '1GCDT13E878243671' in the bottom-right.
